Volunteer Opportunities

Youth Basketball Coaches (We need you!)

All our youth activities rely on volunteers to support the programs. Please consider becoming a youth basketball coach. Training is available to those who have limited or no knowledge of basketball. This is a rewarding position to teach kids the game of basketball. Two practices a week to start then one practice and a game on Saturday! Sometimes a group of adults can work together if time is limited for one coach. All coaches must successfully complete a background screen to coach! email: mrussell@hendersoncountync.gov

Special Events

With many special events going on monthly, volunteers are always needed! Whether it's handing out snacks and drinks, facilitating games, or helping with set-up and clean-up you can never have too many hands! email: bgalloway@hendersoncountync.gov

Park Clean-Up

Ongoing opportunities are available for individuals or groups to volunteer with park clean-up and projects. email: jkilgore@hendersoncountync.gov
